Auditor's Report.

To the Citizens of the Town of Saugus :

I hereby submit the annual report for the year ending Dec. 31, 1900, and trust that it will receive the careful consideration of every citizen who has the welfare of the town at heart. The deficiency has been increased this year \$22,345.59. This has been caused in a large measure by the amounts expended in the new Cliftdale and Lynnhurst school-houses, \$25,138.64, and the extension of the water system, \$5,440.20 a total of \$30,578.84. The interest account still continues to increase, and must as long as we have to carry so many temporary loans. On Jan. 1, 1900, the temporary loans amounted to \$30,000; Jan. 1, 1901, \$55,000, an increase of \$25,000. The amount of interest paid by the Treasurer on notes and bonds in 1900 was \$11,777.57. I recommend that the sum of \$11,500 be appropriated to meet interest charges the ensuing year. An appropriation of \$4,000 will be required for the principle of water loans. \$2150 for Cliftdale school-house, and \$350 for Lynnhurst school house loans. By referring to the Town Farm Account it will be seen that, taking the increase of personal property into account, the Farm has been more than self-supporting. The books of the treasurer, overseers of the poor and tax collector have been examined and found correctly kept, and proper vouchers presented for all payments made. If those receiving remittances from the Treasurer would receipt their bill when the bills are enclosed for that purpose, and return them at once to the auditor, it would save him much trouble, but it is surprising how many neglect to do this.

Respectfully submitted,

GEO. PARSONS, *Auditor.*

Saugus, Feb. 8, 1901.

ANNUAL TOWN MEETING.

ESSEX, SS.

To Charles A. Blakeley, Constable of the Town of Saugus,

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Saugus, qualified to vote in Town affairs, to meet at the several voting precincts in the Town, on Monday, March the Fifth, A. D. 1900, at six (6) o'clock A. M., then and there to bring in their ballots to the Wardens for the following Town Officers:—

Town Clerk, Three (3) Selectmen for one year, Town Treasurer, one Assessor for three years, one Assessor for one year, three Overseers of the Poor for one year, Tax Collector for one year, one member Board of Health for three years, Auditor, Constable, one Sinking Fund Commissioner for three years, two Trustees of Public Library for three years, one Water Commissioner for three years, one member of School Committee for three years, three Fence Viewers.

Also your answer "Yes" or "No" to the following question, "Shall License be granted for the sale of Intoxicating Liquors in the Town for the ensuing year?"

Also, to appear at the Town Hall, on Monday Evening, March Twelfth, A. D. nineteen hundred, at eight o'clock, to hear and act on the following articles, viz:—

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To hear and act on Reports of Committees.

Art. 3. To choose all other Town Officers which Towns are, by law, required to choose in the months of March and April annually.

Art. 4. To revise the Jury List.

Art. 5. To choose a Committee on Appropriations, as required by the Town By-Laws.

Art. 6. To see what action the Town will take in relation to charging interest or making a discount on taxes assessed in the ensuing year.

Art. 7. To make an appropriation and raise such sums of money as may be necessary to defray Town charges for the ensuing year.

Art. 8. To see what action the Town will take in the matter of fixing the compensation of any or all Town Offices, and make an appropriation for the same.

Art. 9. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to hire money and give notes of the Town for the same for the following purposes:

1st. For the purpose of paying notes coming due the present year.

2d. For the purpose of paying notes not yet due.

3d. To hire money temporarily, not exceeding sixty thousand dollars (\$60,000), for one year, in anticipation of the taxes of the year 1900.

Art. 10. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to hire money of the Sinking Fund Commission, and give notes of the Town for the same, for the purpose of funding the Town debt.

Art. 11. To see if the Town will make an appropriation for Police Service.

Art. 12. To see if the Town will appropriate the sum of two hundred dollars for the observance of Memorial Day, the same to be expended under the supervision of Post 95, G. A. R., or to see what action the Town will take in the matter.

Art. 13. To see what action the Town will take in relation to Street Lighting, and make an appropriation therefor.

Art. 14. To see if the Town will make an appropriation to cover the cost of Insurance on Town Buildings.

Art. 15. To see if the Town will make an appropriation for Repairs on Town Buildings and Grounds.

Art. 16. To see if the Town will make an appropriation for the Board of Health, or to see what action the Town will take in the matter.

Art. 17. To see if the Town will make an appropriation for the Superintendent of Schools.

Art. 18. To see if the Town will appropriate the sum of fifty dollars (\$50.00) for searching the Records and Plans for the Assessors.

Art. 19. To see if the Town will make an appropriation for Sidewalks, or to see what action the Town will take in the matter.

Art. 20. To see if the Town will instruct the Water Commissioners to lay a water pipe to connect the pipe in Essex Street with the pipe in Adams Avenue, and make an appropriation by loan for that purpose, or to see what action the Town will take in the matter.

Art. 21. To see if the Town will instruct the Water Commissioners to lay service pipes on the same terms and con-

ditions as is customary by other towns and cities, or to see what action the Town will take in the matter.

Art. 22. To see if the Town will instruct the Treasurer, with the consent of the Selectmen, to make a Water Loan of five thousand dollars (\$5,000.00) for extension and repairs of Water Pipes, or to see what action the Town will take in the matter.

Art. 23. To see what compensation the Town will give the Collector for collecting the tax of 1900, or to see what action the Town will take in the matter.

Art. 24. To see if the Town will vote to adopt some rule for collecting taxes, or to see what action the Town will take in the matter.

Art. 25. To see if the Town will make an appropriation for the conveyance of the School Children from Edison Street, Lynnhurst, to the East Saugus School House, the same to be let out to the lowest responsible bidder, or to see what action the Town will take in the matter.

Art. 26. To see if the Town will amend Article IV of the Town By-Laws, by adding thereto the following section, or to see what action the Town will take in the matter:

"One or more persons standing, lounging or sitting within the limits of any sidewalks or street, in such a manner as to obstruct the same, shall move on immediately, when so ordered by any of the constables or police officers of the Town, under penalty of not less than five (\$5.00) nor more than twenty dollars (\$20.00)."

Art. 27. To see if the Town will instruct the Assessors to abate the tax on a certain Town note held by Mrs. E. Hathaway, in payment of the Gravel Pit purchased by the Town, or to see what action the Town will take in the matter.

Art. 28. To see if the Town will make an appropriation

for the purpose of Laying Out and Grading Avenues in the Cemetery.

Art. 29. To see if the Town will make an appropriation of three hundred dollars (\$300.00) for repairs and incidental expenses on School Buildings, to be expended under the direction of the School Committee, or to see what action the Town will take in the matter.

Art. 30. To see if the Town will vote to pay the firemen of the Saugus Fire Department thirty-five (\$35.00) dollars each per year—four companies of ten men each—and make an appropriation therefor, or to see what action the Town will take in the matter.

Art. 31. To see if the Town will appropriate the sum of two thousand dollars (\$2,000) for the expenses of the Fire Department for the ensuing year, or to see what action the Town will take in the matter.

Art. 32. To see if the Town will appropriate the sum of five hundred dollars and dog tax for use of the Public Library, the same to be expended under the direction of the Trustees of the aforesaid Library, or to see what action the Town will take in the matter.

Art. 33. To see if the Town will accept the following streets, according to plan and description filed with Town Clerk: Cliftdale avenue, from Adams avenue to the south side of High street (273 feet); High street, from Cliftdale avenue to Oak street (675 feet); Oak street, from Adams avenue to Forrest avenue (513 feet); Herbert avenue, from Adams avenue to the junction of Knowles avenue and Forrest avenue (626 feet); Knowles avenue, from Central street to the junction of Herbert and Forrest avenues (576 feet). In all about 2,663 feet, agreeable to the petition of John S. Smith, M. Monteith and others, or to see what action the Town will take in the matter.

Art. 34. To see if the Town will make an appropriation

for furnishing the new Schoolhouse at Lynnhurst, or to see what action the Town will take in the matter.

Art. 35. To see if the Town will defray the expenses of the Lock-up from Court Fines, or to see what action the Town will take in the matter.

Art. 36. To see if the Town will make an appropriation of five hundred dollars (\$500.00) for the purchase of an Ambulance for the Police Department, or to see what action the Town will take in the matter.

Art. 37. To see if the Town will appoint a committee to wait on the officials of L. & B. R. R. Co. and negotiate for an eight-ride ticket for 25 cents between Cliftdale, Saugus and Lynn, between the hours of 6 A. M. and 7 A. M., and 6 P. M. and 7 P. M., and a five-cent fare between North Saugus and Lynn, agreeable to the petition of Charles W. Pratt, M. F. Cunningham and others, or to see what action the Town will take in the matter.

Art. 38. To see if the Town will vote to extend the drain pipe from the basin in front of the estate of Thomas Parkins down Central street and under the B. & M. R. R. tracks to the brook, and make an appropriation therefor, or to see what action the Town will take in the matter.

Art. 39. To see if the Town will authorize the Assessors to issue a "Valuation Book" for 1900 and make an appropriation therefor, agreeable to the petition of B. F. Robinson, L. J. Austin and others, or to see what action the Town will take in the matter.

Art. 40. To see what action the Town will take for better Electric Railroad facilities within the Town limits and to and from the City of Boston, agreeable to the petition of Alvah M. Norris, Joseph J. Libbey and others.

Art. 41. To see if the Town will appoint a committee to purchase and make an appropriation for the purchase of a

full outfit for cleaning out vaults and cesspools, to be used under the direction of the Keepers of the Town Farm, agreeable to the petition of Charles W. Pratt, M. F. Cunningham and others; or to see what action the Town will take in the matter.

Art. 42. To see if the Town will vote to have grave markers placed on the graves of the war veterans in the Saugus Cemetery, and make an appropriation therefor, or to see what action the Town will take in the matter.

Art. 43. To see if the Town will appropriate a sum of money to build a Four-room School-house in the Pleasant Hills District, agreeable to the petition of P. Decarean, V. Smith and others, or to see what action the Town will take in the matter.

Art. 44. To see if the Town will instruct the Board of Selectmen to insert Chap. 344, Sections 1, 2, 3, Acts 1899 in the annual election ballot of the year 1901, for the acceptance of the voters of the Town, agreeable to the petition of Charles W. Pratt, M. F. Cunningham and others, or to see what action the Town will take in the matter.

Art. 45. To see if the Town will authorize the Board of Engineers to place a Fire Alarm Box on the School-house at Lynnhurst, agreeable to the petition of W. E. Snell, E. Gillmore and others, or to see what action the Town will take in the matter.

Art. 46. To see if the Town will vote to place Arc Lights as follows: One at corner of Clifton avenue and Western avenue; one at corner of Denver and Liberty streets; one at corner of Essex street and Broadway; one at corner of Mountain avenue and Castle street; one at corner of Woodbury avenue and Pearson street; one on Morton avenue, near Endicott street; one at corner of Elm and Walnut streets; one at corner of Jefferson and Newcomb avenues; one at corner of Washington and Garfield avenues; one at corner of Cleveland and Sherman avenues; one at corner of Vine and Denver

streets; and make an appropriation therefor, or see what action the Town will take in the matter.

Art. 47. To see if the Town will appoint a committee of three citizens to resurvey and renumber the lots in the cemetery and make an appropriation therefor, or to see what action the Town will take in the matter.

Art. 48. To see if the Town will elect a Tree Warden, by ballot or otherwise.

The Polls will open at 6 o'clock A. M., and may close at 4.30 P. M.

And you are hereby directed to serve this Warrant by posting attested copies at the usual places seven days at least before the time of holding said meeting, and to distribute copies as provided by the By-Laws at least four days before.

Hereof Fail Not, and make due return of this Warrant with your doings thereon, to the Town Clerk at the time and place of meeting.

Given under our hands and Town Seal this Twentieth day of February, A. D. nineteen hundred.

B. F. SANBORN,
S. A. D. FORRISTALL,
J. WESLEY PAUL,
Board of Selectmen.

Saugus, March 5th, 1900.

Pursuant hereunto, I have notified the inhabitants of the Town of Saugus, qualified to vote in Town affairs, to meet at the several voting precincts in said Town, on Monday, March the fifth, A. D. 1900, at six o'clock A. M., by posting attested copies of the warrant in the usual places in said

Town, seven days at least before the time of said meeting; also by leaving copies at the several dwellings at least four days before said meeting.

Also to appear at the Town Hall on Monday evening, March the twelfth, A. D. 1900, at eight o'clock P. M.

CHARLES A. BLAKELEY,
Constable.

March 5th, 1900.

Precinct One.

The polls were opened at 6 o'clock A. M. and closed at 4.30 P. M.

Total number of votes	288
Total checked at box	288
Total checked at gate	288

Ballot was 000 at 6 A. M. At close it was 282.

Election Officers.

F. V. Learoyd	Warden
A. F. Jenkins	Clerk
A. W. Sawyer	Inspector
D. S. Bannon	Inspector
E. J. Barrett	Inspector
F. B. Newhall	Inspector
A. J. Coney	Inspector
G. A. Learoyd	Inspector
J. W. H. Hill	Teller
W. A. Adlington	Teller
A. W. Mansfield	Teller
Jas. Quarimby	Teller

There were two ballots spoiled.

There was one extra ballot at gate at close.

A. F. JENKINS,
Clerk.

The citizens of Precinct No. 2, qualified to vote in said Precinct, assembled at Hose House, Cliftondale, on Monday the fifth day of March, 1900, and gave in their votes for the purpose expressed in the notice of the election advertised as provided by law by the Selectmen.

The following named persons were present and served as Election Officers, having been previously qualified, viz.:

C. F. Fowler, Warden, sworn by S. A. D. Forristall.
A. J. Struthers, Clerk, sworn by C. F. Fowler.
Geo. E. Rea, Inspector, sworn by C. F. Fowler.
Frank W. Foss, Inspector, sworn by C. F. Fowler.
Russell Clucas, Inspector, sworn by C. F. Fowler.
James Flaherty, Inspector, sworn by C. F. Fowler.
Sidney F. Rea, Inspector, sworn by C. F. Fowler.
Michael J. McCafferty, Inspector, sworn by C. F. Fowler.
J. Arthur Readdin, Inspector, sworn by C. F. Fowler.
E. B. Forristall, Inspector, sworn by C. F. Fowler.
Thomas H. Foley, Inspector, sworn by C. F. Fowler.

The polls were opened at 6 o'clock A. M. and were closed at 4.30 o'clock P. M., and the whole number of ballots given in having been sorted and counted by Election Officers in the manner provided by law, the results were as follows. By consent of those present the ballot box was opened at 3.35 o'clock and the count began.

Whole number of ballots, 307.

The slate of ballot box register before the polls opened was .000.

At close of the polls it was 309.

Number of names checked on check list used at the ballot box was 307.

Number of names checked on check list used by the Ballot Clerk was 308.

The slate of the ballots, as sorted, counted and recorded as above in open meeting was declared to the meeting by the Clerk.

One man passed through the gate and was checked by the Ballot Clerk, but he did not deposit his ballot.

The ballot box would not work when first vote was cast and one number was registered with no ballot put in.

The meeting then dissolved.

A true record.

A. J. STRUTHERS.

REPORT OF PRECINCT 3.

Annual March Meeting, March 5, 1900.

The citizens of Precinct 3, qualified to vote in said Precinct, assembled at the Hose Hose in Ward 4 on the fifth day of March, 1900, and gave in their votes for the purposes expressed in the notice of this election advertised as provided by law by the Selectmen.

The following named persons were present and served as Election Officers, having been previously qualified, viz.:

Henry J. Mills, Warden, sworn by Wesley Paul, J. P.

George F. Scollins, Clerk, sworn by the Warden.

Brainard Perkins, Inspector, sworn by the Warden.

I. E. Graves, Inspector, sworn by the Warden.

Levi G. Florence, Inspector, sworn by the Warden.

Evan Evans, Inspector, sworn by the Warden.

George L. Priest, Inspector, sworn by the Warden.

John W. Hitchings, Inspector, sworn by the Warden.

W. H. Savage, Inspector, sworn by the Warden.

Harry F. Deshon, Inspector, sworn by the Warden.

Terrance McTeague, Inspector, sworn by the Warden.

Charles Florence, Inspector, sworn by the Warden.

Charles W. Bailey, Inspector, sworn by the Warden.

The polls were opened at 6 o'clock A. M., and were closed at 4.30 P. M., and the whole number of ballots given having been sorted and counted by the Election officers in the manner provided by law, the result was declared to the meeting by the Warden.

The state of the ballot box register before the polls were opened was .000.

At the close of the polls it was 174. Number of names checked on list used at the ballot box was 174. Number of names checked on check list used by the Ballot Clerks was 174.

The meeting then adjourned.

A true record.

GEORGE F. SCOLLINS.

Saugus, March 12th, 1900.

Meeting called to order by the Town Clerk at 8 o'clock P. M.

Art. 1. Thomas P. Parsons was chosen Moderator. Sworn by Town Clerk.

Art. 2. Report of Free Delivery committee.

Your committee appointed at the last annual Town meeting to consider the advisability of asking for the extension of the free delivery of mails throughout the Town, and to report to this annual meeting, make the following report:—

It is the opinion of your committee, after carefully considering the matter, by themselves, and also looking the field over with A. W. Machen, a Superintendent of the Free Delivery Service at Washington, that it would be beneficial to the inhabitants of Saugus to extend the free delivery system over the Town, and in the opinion of your committee this could be accomplished through the efforts of Congressman Ernest W. Roberts, if the citizens of Saugus would request it. Signed.

C. N. WORMSTEAD,
HORACE H. ATHERTON,
By W. P.

SAMUEL HAWKES,
WESLEY PAUL,
WM. F. HITCHINGS,
JOHN H. PARKER,
Per S. A. W.

Voted:—That the Report be accepted and laid upon the table.

Report of the Committee to further The Interests of the Town in the Metropolitan Park System.

Resolved:—That it is the sense of the citizens of Saugus that they hereby approve of the plan of the Park Commissioners by which the Metropolitan Park System shall be extended and connected with the Lynn Woods, by way of Melrose, and that part of Saugus called Oaklandvale, believing it would be for the best interest of our Town, and preferable in every way to any other plan.

Passed March 12, 1900. Unanimously.

Attest:

ELMER B. NEWHALL,
Town Clerk.

REPORT OF TOMB COMMITTEE.

Gentlemen:

Your committee appointed at "Special Town Meeting" of April 5th, 1899, to "consider the advisability of rebuilding and enlarging the Tomb," beg leave to make the following report:

1st. It is our opinion that the Town should not attempt to enlarge or rebuild in any way the present tomb, as in our judgment the same is and would be altogether inadequate should we proceed to remodel. We have visited a number of tombs in different cities and towns costing from \$12,000 down to \$1600. The latter tomb is situated at Beverly and is built of brick with slate roof; is 25 feet square, and will accommodate 64 bodies, so arranged that no two boxes come in contact with each other. Each catacomb consists of a white oak frame fitted with white oak rollers. The box is placed upon the rollers and is very easily handled. This tomb was built in 1891 at a total expense of \$1533, and has fulfilled all requirements of the City of Beverly to date. The Superintendent of

the Cemetery told your committee when the question was asked him, "Is there anything you would have done to this tomb to make it more convenient if you were to build today?" and he answered very promptly, No.

Therefore, your committee would most respectfully recommend that at such time as the Town cares to make an appropriation for the building of a tomb, that a committee of not over three citizens be appointed with full power to proceed to locate and erect a tomb of similar size and style as herein described.

Respectfully yours,

J. S. MEACOM,
J. H. PARKER,
E. B. OLIVER.

Saugus, March 6th, 1900.

Report accepted.

SPECIAL TOWN MEETING.

ESSEX, SS.

To Charles A. Blakeley, Constable of the Town of Saugus,

GREETING :

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Saugus, qualified to vote in Town affairs, to appear at the Town Hall on MONDAY, APRIL THE THIRTIETH, A. D. 1900, at eight o'clock P. M., to hear and act on the following articles, viz.:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To hear and act on Reports of Committees.

Art. 3. To see if the Town will vote to discharge the Committee on Municipal Lighting.

Art. 4. To see if the Town will appoint a committee of five citizens to look into the advisability of a Town Electric Lighting Plant, and report at a future meeting; or to see what action the Town will take in the matter.

Art. 5. To see if the Town will vote to accept the resignation of Henry J. Mills, Thomas P. Parsons, Charles N. Wormstead and George M. Amerige as members of the Building Committee, chosen at the Annual Town Meeting in 1899, to erect a school-house in Cliftdale, and to fill the vacancies occasioned by such resignation, or to see what action the Town will take in the matter.

Art. 6. To see what action the Town will take in relation to accepting the resignation of any other member or members

of the Building Committee referred to in the preceding article, or discharging any or all members of the committee and filling the vacancies occasioned by such resignation or discharge.

Art. 7. To see if the Town will instruct the Building Committee referred to in previous articles, under the direction of the Town Counsel, to terminate the employment of the architects, or to see what action the Town will take in the matter.

Art. 8. To see if the Town will instruct the Building Committee previously referred to to employ a suitable person to supervise the construction of the school-house building until the completion of the same, or to see what action the Town will take in the matter.

Art. 9. To see what action the Town will take in relation to reducing the number of the Building Committee or adding thereto.

Art. 10. To see if the Town will vote in favor of the system of free delivery of mails in the Town of Saugus and instruct the committee, appointed by the Town to investigate the matter of free delivery, to co-operate with the Congressman from the Seventh District to procure the same, or to see what action the Town will take in the matter.

Art. 11. To see if the Town will vote to authorize the Board of Engineers to remove the fire hose from Lynnhurst, or to see what action the town will take in the matter.

Art. 12. To see if the Town will vote to locate a fire-alarm box at the Lynnhurst School-house and make an appropriation for the same, or to see what action the Town will take in the matter.

Art. 13. To see if the Town will vote to place an arc light on Hesper Street, and make an appropriation therefor, or to see what action the Town will take in the matter.

And you are hereby directed to serve this Warrant by posting attested copies at the usual places seven days at least be-

fore the time of holding said meeting, and to distribute copies as provided by the By-Laws, at least four days before.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town seal the Seventeenth day of April, A. D. Nineteen Hundred.

J. WESLEY PAUL,
HERBERT O. PRATT,
B. F. SANBORN,

Selectmen of the Town of Saugus.

Saugus, April 30th, 1900.

Persuant hereunto I have notified the inhabitants of the Town of Saugus, qualified to vote in Town Affairs, to meet at the Town Hall on Monday, April 30th, 1900, at 8 o'clock in the evening, by posting attested copies of this warrant in the usual places, seven days before the time of said meeting, also distributing copies at the several dwellings at least four days before the time of said meeting.

CHARLES A. BLAKELEY.
Constable.

Saugus, April 30th, 1900.

Meeting called to order at 8.05 P. M.

Choose Hon. Frank P. Benett Moderator, who was Qualified by the Town Clerk.

Art. 3. Voted:—To discharge the Committee on Municipal Lighting.

Moderator appointed Geo. Learoyd, Henry Fiske, J. Wesley Paul, Sabina Snow, as Tellers and qualified the same.

Art. 4. Voted:—To indefinitely postpone the appointment of a committee to look into the advisability of a Town Electric Plant.

Art. 5. Voted:—To accept the Resignation of Henry J. Mills, Thomas P. Parsons, Charles N. Wormstead, George M. Amerige, as members of the Building Committee of the School House at Cliftdale.

Art. 6. Voted:—To indefinitely postpone the filling of the vacancies occasioned by the above resignations.

Art. 7. Voted:—To indefinitely postpone the termination of the employment of the architects of the Cliftdale School.

Art. 8. Voted:—To indefinitely postpone the employment of a supervisor on the Cliftdale School.

Art. 9. Voted:—To indefinitely postpone the matter of reducing the membership of the Building Committee or adding thereto.

Art. 10. Voted:—To indefinitely postpone any action in regard to the free delivery of mail.

Art. 11. Voted:—To indefinitely postpone the removal of the fire hose from Lynnhurst.

Art. 12. Voted:—To refer the matter of locating a fire alarm box at the Lynnhurst School House to the Board of Fire Engineers.

Art. 13. Voted:—To refer the matter of an Arc Light on Hesper Street to the Selectmen with full power.

Voted to dissolve the meeting.

SPECIAL TOWN MEETING.

ESSEX, SS.

To Charles A. Blakeley, Constable of the Town of Saugus,

GREETING :

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Saugus, qualified to vote in Town affairs, to appear at the Town Hall on FRIDAY, AUGUST THE THIRTY-FIRST, A. D. 1900, at eight o'clock P. M., to hear and act on the following articles, viz.:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To hear and act on Reports of Committees.

Art. 3. To see if the Town will appropriate the sum of Two Thousand Dollars for the purpose of building a tomb in the Cemetery and that a committee consisting of not over three members be appointed with full power to locate and contract for building the same.

Art. 4. To see if the Town will vote in favor of the system of free delivery of mails in the Town of Saugus, and instruct the committee appointed by the Town to investigate the matter of free delivery to co-operate with the Congressman from the Seventh District to procure the same, or to see what action the Town will take in the matter.

Art. 5. To see if the Town will appropriate the sum of One Thousand Dollars to complete the furnishing of the new school-house at Cliftondale and to build a retaining wall on south side of said schoolhouse lot, or to see what action the Town will taken in the matter.

Art. 6. To see what action the Town will take in relation to charging interest on unpaid taxes of the year 1900.

Art. 7. To see if the Town will instruct the Selectmen to widen and repair Denver Street, from the railroad crossing to Mr. Miller's house, as was contemplated when Denver Street was laid out, and make an appropriation for the same agreeable to the petition of G. H. Johnson, A. D. Hall and others, or to see what action the Town will take in the matter.

Art. 8. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to hire money temporarily, not exceeding Fifteen Thousand Dollars (\$15,000) for one year, in anticipation of the taxes of the year 1900.

And you are hereby directed to serve this Warrant by posting attested copies at the usual places seven days at least before the time of holding said meeting, and to distribute copies as provided by the By-Laws, at least four days before.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town seal the Twentieth day of August, A. D. Nineteen Hundred.

J. WESLEY PAUL,
HERBERT O. PRATT,
B. F. SANBORN,
Selectmen of the Town of Saugus.

Saugus, Aug. 31st, 1900.

Persuant hereunto I have notified the inhabitants of the Town of Saugus qualified to vote in Town affairs to appear at the Town Hall Friday, Aug. 31, A. D., 1900, at 8 o'clock P. M., by posting attested copies of this warrant in the usual places seven days before said meeting. Also by distributing

copies as provided by the By-Laws four days before the time of said meeting.

CHARLES A. BLAKELEY.

Constable.

Choose Mr. Thomas P. Parsons Moderator.

Voted to take up Article 4.

Resolved:—That the Town vote in favor of the free delivery of mails and that the Town Clerk be instructed to send a Copy of same to the Congressman of this District.

Art. 3. Voted:—To indefinitely postpone the building of a Tomb in the Cemetery.

Art. 5. Voted:—That the sum of \$800 be and hereby is appropriated to complete the furnishing of the New School Building on Central Street. And the sum of \$200 be and hereby is appropriated to construct a retaining wall on the south side of the lot in which said building is located.

Art. 6. Voted:—That the Rate of Interest on Taxes assessed after Nov. 1st, 1900, shall be 6 per cent.

Art. 7. Voted:—That the sum of two hundred dollars be and hereby is appropriated to put Denver Street in proper condition from the railroad crossing to the house of Mr. Miller on said street.

Art. 8. Voted:—That the Town Treasurer with the approval of the Selectmen be and hereby is authorized to hire money temporarily not exceeding one year in anticipation of the Taxes of 1900, and give notes of the Town for the same, and that all money so hired shall be expressly made payable from such Taxes of 1900, the whole amount so hired under this note not to exceed Fifteen Thousand Dollars. Yes 22; No 0.

Voted:—Meeting dissolved 9.34.

	Use of stock	14 00
	Overseers' Order	217 69

 1,014 14

Total

 \$6,888 33

In submitting their annual report, the overseers feel that the financial showing at the Town Farm is a cause of congratulation to the citizens of the Town. While the report shows that the sum of \$217.69 has been drawn from the Treasury for the support of the Farm, it should be borne in mind that the amount of personal property purchased this year is much larger than that.

Ten cows have been added to the stock the past year, making a herd of forty (40), all in prime condition. It will be necessary to keep this number as the purchaser of the milk requires not less than fifty cans per day. To a person familiar with the raising of milk this means a constant changing of cows, for as soon as a cow does not give the necessary amount of milk expected she must be sold for beef and a milch cow purchased to take her place.

A system of iron drinking troughs connected by pipes by which the cattle always have fresh water before them, has been put in at a cost of seventy-five dollars (\$75). This was paid for from the proceeds of the farm, but is not included in the increased appraisal.

Total amount of orders drawn by the Overseers, \$3,852.00, as follows:

For Insane	\$1,737 52
Partial support of 90 persons ...	1,803 83
Town Farm	217 69
Insurance	40 50
Town Physician	25 00
Incidentals	27 46

We would recommend that the sum of \$4000 be appropriated to defray the expenses of the Overseers' Department for the ensuing year, also a special appropriation of \$200 to build a milk room.

Respectfully submitted,

GEORGE FAULKNER,
 SOLON V. EDMANDS,
 WALTER L. LITTLE,
 Overseers of the Poor.

TREASURER'S REPORT.

FOR THE YEAR ENDING DEC. 31, 1900.

ELMER B. NEWHALL,
Town Clerk.

Selectmen's Report.

To the citizens of the Town of Saugus:

We hereby respectfully submit the annual report of the Selectmen for the fiscal year ending Dec. 31, 1900. We also call your attention to a few suggestions which have occurred to us as worthy of your consideration.

Highways and Bridges.

The past year has been unexampled in very many respects, in the annals of our highways and bridges. The continued work on the State Road forced the immense traffic between Boston and the eastern section of our county on to Lincoln avenue. The long, dry summer and the unusual amount of travel pounded and ground the surface to powder. The wind carried this all about, making it most uncomfortable for the abutters and unhealthy for all who had to breathe the dust-laden air. Some sections of the avenue became so full of ruts and holes that something more substantial and lasting than gravel was required to keep the roadbed passable. We resorted to crushed stone. The results were very satisfactory not only on this street, but also on all others subject to heavy teaming. We would suggest the using of crushed stone with a binder of gravel on all streets where the railway is located in the middle of the travelled road.

A very considerable expense was incurred removing the ledge near the corner of Endicott street and Lincoln avenue. We believe the benefit derived justified the expense.

As a result of the special appropriation expended on Denver street, it is now in better condition than ever before, and will need scarcely any repairs for many years to come.

A large amount was expended on Birch Brook road filling in the roadbed so that the overflow from the pond, caused by

the raising of the dam by the Lynn Water Board should not make it wet and muddy. We now have a good, solid road that with proper attention will be all right.

At the annual town meeting last March a special appropriation was made for constructing a sewer on Central street near the B. & M. R. R. Station. This has been completed at a cost very little in excess of the appropriation. The surplus water which has been a cause of no little trouble for many years is now satisfactorily taken care of.

A large part of Essex street has been regraded and put in first-class order. We would recommend that the good work be continued over the remainder.

Bristow street has caused us not a little trouble. The thin veneer of gravel has in many places disappeared under pools of mud. The teaming for the State Road is responsible for this bad state of affairs.

What with the repairs on very many other streets and several bridges, it has been a very busy as well as sad year for the Highway Department.

In October, Mr. John L. Edmands, for many years the Superintendent of Streets, after a very short illness, passed away. We realize our loss. This good citizen, this genial man, this honest, well-tried public servant will be missed by all. We chose Mr. Chas. Florence as successor to Mr. Edmands.

As regards the matter of crushed stone for some of our streets, while we do not recommend the purchase of a crusher at present, we think that arrangements can be made to have 1,000 tons or more if necessary crushed by contract to be used as circumstances may require.

Our own gravel pit will furnish the best of stone. Still it seems a matter of economy for the town to continue the use of gravel except in the circumstances mentioned above.

The usual appropriation for sidewalks seems to meet the approval of all citizens. If more of them would avail themselves of this appropriation our town ways would be greatly improved.

Street Lighting.

The contract made with the Lynn Gas and Electric Co. still continues in force.

The number of arc lamps is 67, at a cost of \$67.50 per lamp. The number of incandescent lamps is 27, at a cost of \$15.00 per lamp.

When all the lamps are in operation for the full year the total cost of the system will be about \$4,850.00 per year.

That there will be an urgent demand for quite an extension of the system seems probable. If this demand is a just one, it would appear the part of wisdom to grant it, especially on those streets where there are electric railways. With the increase of lights there must be a larger appropriation. With this very considerable increase before us, we consider it a duty to again call on our fellow citizens to examine carefully the subject of municipal street lighting. It is a matter of vital importance and concerns every person, rich or poor.

Police Department.

There has been no change in the personal of this department. We cannot add anything to our last year's report. We appreciate and commend it for its services. That it has gained the respect of the community is evident by the absence of friction and trouble in executing the sometimes disagreeable duties devolving upon it. The business of this department grows from year to year and will continue to grow so long as the town continues to increase in population. Very soon it is evident the force must be increased, but before that time arrives would it not be well to give the present force everything necessary to aid them to gain a still higher sphere of efficiency.

Cemetery.

In all communities endearing care and watchfulness over the resting places of the dead is a gauge of civilization. Are we

willing the tomb at the cemetery shall be a measure for our civilization? May we not hope the people of this prosperous and growing town will give it the attention it merits? The business at the cemetery will keep pace with the growth of the town. Old methods should give way for new and more progressive. Should we not adopt them? It would seem a good business proposition that all the income of the cemetery should be accounted for and the Superintendent given a salary commensurate with his services.

Fire Department.

Under the charge of the Engineers, C. A. Blakeley, H. F. Fiske and C. I. Hitchings, the fire department has fully sustained its usual good reputation. The service has been prompt and the management all that could be required.

The attention of our citizens is called to the excessive cost of wood fires. The Auditor's report will show the amount which has been drawn from the appropriation for incidentals to meet this expense.

The addition and improvements made at the headquarters of the Electrician will prove most acceptable, as he can now arrange the chemicals and apparatus governing our Fire Alarm System in an orderly and convenient manner. The expense was quite small, the benefits immeasurable.

The details of this department are in the report of the Engineers.

Public Buildings.

Has it occurred to the citizens of the town that we have over \$175,000 invested in public buildings which we have been trying to keep in repair with an appropriation of less than half of one per cent. of value?

Is it good policy to let our public property run so near the verge of dilapidation?

Most of our buildings are now in very fair condition, but they need continual care or the time will soon come when we shall have to pay dearly for neglect.

We wish to call the attention of the town to the property known as the Hathaway Estate, now our town gravel pit. The lease expires during the coming year. The town needs for the highway department and also in a less degree for other departments, a building to store tools and machines and other material when not in use. The world moves; our highway department progresses. We have to have tools and machinery to keep up with the times. We have many hundreds of dollars' worth on hand now stored along the highway or in back yards. In a very few years we shall need thousands where we now have hundreds. It seems a matter of economy that we should have storage for the costly machines we have begun to provide. The barn situated on this property is well fitted for that purpose. The house could be disposed of to be moved. A lot of land could be sold to the purchaser if necessary and our property left in better shape for the town's use than it is now.

Finances.

Collection of taxes and disbursing the same, honestly and economically, are among the first principles of every good government. If we do not collect promptly, we cannot pay promptly. Credit will not last forever. It is earnestly hoped that the department of finances will receive the attention from tax payers that its importance deserves. Your attention is called especially to our temporary loans far larger than the business transacted should call for, these loans being equal to the tax assessed. For the details we refer you to the reports of the Auditor and Treasurer.

Appropriations.

We would recommend the following appropriations:

Highways and Bridges	\$6,500 00
Selectmen's Incidentals	6,500 00
Insurance	900 00
Police Department	4,000 00
Public Buildings	600 00

Street Lighting	5,100 00
Cemetery	
Soldiers' Relief	500 00

We close our report for 1900 with a feeling that we have endeavored to do our duty to the best of our ability, and if in any of our efforts we have failed to do all we intended, we have the satisfaction of knowing that circumstances and not slothfulness caused the failure.

J. WESLEY PAUL,
H. O. PRATT,
B. F. SANBORN,
Board of Selectmen.

Assessor's Report.

The Assessors herewith present to the citizens of Saugus their report for the year ending Dec. 31, 1900:

Table of Aggregates.

Of Polls, Property and Taxes Assessed May 1, 1900.

- Number of polls assessed, 1372; a decrease of 24.
- Number of polls exempt, 85; an increase of 20.
- Number of persons paying poll tax only, 625; a decrease of 52.
- Number of polls registered, 1,470; a decrease of 1.
- Number of persons paying property tax, 2,023; a gain of 68.
- Total number of persons assessed, 2,648; a gain of 24.
- Number of persons liable to do military duty, 825; a loss of 23.
- Number of dogs registered, males 231, females 25, total 256; a gain of 11.
- Population as taken by the assessors, 5,055; a gain of 280.

Schedule of Property Assessed.

- Number of dwelling houses, 1,198; a gain of 22.
- Number of acres of land, 5,939; a gain of 14.
- Number of horses, 410; a loss of 22.
- Number of cows, 790; a gain of 72.
- Number of neat cattle, 8; a gain of 2.
- Number of sheep, 35; net gain.
- Number of swine, 39; a gain of 4.
- Number of fowl, 9,500; a gain of 1,063.
- Number of bicycles, 349; a loss of 59.

Value of Real and Personal Estate.

Personal property assessed		\$182,727
Buildings exclusive of land	\$2,116,950	
Land exclusive of buildings	1,379,385	
		<hr/>
		3,496,335
Total amount of property assessed,		\$3,679,062

Divided as follows:

Resident real estate, \$2,544,980; a gain of \$89,655.
 Non-resident real estate, \$951,355; a gain of \$12,686.
 Resident personal estate, \$173,459; a gain of \$5,985.
 Non-resident personal estate, 9,268; a gain of \$2,528.
 Showing a gain of \$110,854.

Value of Personal Property.

Money at interest, \$18,435; a gain of \$9,735.	
Stock in trade, \$52,350; a gain of \$35.	
Machinery, \$31,700; a loss of \$3,400.	
Carriages, \$10,973; a loss of \$1,110.	
Bicycles, \$8,725; a loss of \$1,475.	
Live stock, \$53,324; a gain of \$153.	
Wood, lumber and other property, \$7,220; a gain of \$4,584.	
Total values, \$182,727; a net gain of \$8,513.	
Total value of assessed estate May 1, 1900,	\$3,679,062
Total value of assessed estate May 1, 1899,	3,568,208
	<hr/>
Showing a net increase of,	\$110,854

Divided as follows:

Building	\$63,350	
Land	39,991	
Personal	8,513	
	<hr/>	\$110,854

Basis of Taxation.

Appropriations	\$78,075 00
State tax	1,830 00

County tax	2,751 93	
Overlay	1,633 48	
	<hr/>	\$84,290 41
Less Town's income		8,700 00
		<hr/>
Net amount raised by taxation ..		\$75,590 41
Apportioned as Follows:		
On real estate	\$69,227 42	
On personal estate	3,618 99	
On polls	2,744 00	
	<hr/>	\$75,590 41

Total tax for State, County and Town purposes committed to Lewis J. Austin, Collector, \$75,590.41.

Tax rate per \$1,000, \$19.80.

Tax on 420 acres of land taken from Saugus by Lynn, in connection with water supply, at an average value of \$43.50 per acre, based upon a tax rate of \$19.80 per \$1,000, is \$361.75.

The Assessors recommend an appropriation of \$700.00 to meet the estimated expenses of their department for the year 1901.

Also the sum of \$50.00 for searching records, and for plans for use of Assessors.

BENJ. F. CALLEY,
JOHN H. PARKER,
LEVI G. HAWKES,
Assessors of Saugus.

Report of Chief of Police.

I herewith tender my report for the year of 1900 showing the present condition and strength of the Police Force, and reviewing briefly the duties performed during the year.

Membership.

The force is composed of three regular and thirteen special officers, as follows: Charles O. Thompson, Frank W. Joy and Walter A. Pratt are the regular officers. The specials are R. L. Mansfield, Justin Mansfield, Levi Florence, C. F. Clark, E. P. Burnham, J. A. Rea, D. W. Walker, P. A. Flaherty, John Brierly, John C. Bannon, S. H. Johnson, F. Feakins and George Macomber.

Crime.

The whole number of arrests for 1900 was 111, of which 101 were males and 10 females.

Nature of Offence.

Drunks, 33; overdriving horse, 3; bastardy, 1; default, 1; trespass, 5; assault and battery, 4; non-support, 2; suspicion, 3; larceny, 7; profane language, 2; riding bicycle on sidewalk, 22; keeping unlicensed dog, 5; violation Town By-Laws, 1; breaking, entering and larceny, 1; illegal sale of liquor, 3; liquor nuisance, 1; peddling without a license, 1; removing dead body with permission, 2; assault, 3; keeping child from school, 1; stubborn child, 2; attempted larceny, 3.

Disposed of as Follows:

Fined and paid, 42; cases filed, 23; discharged, 14; continued, 49; committed to Salem Jail, 8; defaulted, 3; sent to Su-

perior Court, 5; sent to Grand Jury, 3; sent to State Industrial School, 2.

List of Other Work Done.

Number of complaints received and investigated, 200; doors found open and secured, 48; lights found burning, 39; windows found open, 24; disturbances suppressed, 10; stray teams found, 5; dogs killed, 36; runaway horses stopped, 7; lost children found and restored, 6; fires discovered, 3; bicycles found, 2; carried to hospital, 1; carried to asylum, 1; dead bodies removed, 4; lights for dangerous places, 8; search warrants served and liquors found, 3; arrested for out of town officers, 4.

Appropriation	\$3,500 00
C. O. Thompson, salary	\$882 21
F. W. Joy, salary	800 70
W. A. Pratt, salary	767 90
R. L. Mansfield, salary	351 50
J. C. Bannon, salary	79 98
L. Florence, salary	53 00
E. P. Burnham, salary	18 00
D. B. Walker, salary	14 00
P. A. Flaherty, salary	41 00
John Brierly	2 00
Justin Mansfield	2 69
G. E. Macomber	1 00
C. O. Thompson, use of horse	190 00
Dr. Parcher, services	8 00
James F. Sisk, legal services	10 00
W. L. Newhall, painting closet	1 75
E. F. Burnham, desk	12 00
Joseph Newhall, services	4 00

Brockway & Smith	7 50	
L. G. Hawkes, surveying	7 00	219 77
		<hr/> 3,500 00

Finance.

The total amount of fines paid during the year was \$293.50.

I would recommend that the sum of \$4000 be appropriated for police service for the year of 1901, as the business of this department increases with the growth of the Town, and many complaints have not been properly attended to the past year for want of sufficient funds.

Conclusion.

In concluding my report I wish to thank the honorable Board of Selectmen and George M. Amerige, Trial Justice, for the kindness shown me the past year.

I desire also to extend my thanks to the officers, regular and special, for the support they have given me.

Respectfully submitted,

CHARLES O. THOMPSON,
Chief of Police.

Report of Sinking Fund Commissioners.

Saugus, Jan. 1st, 1901.

To the Selectmen of Saugus:

The Sinking Fund Commissioners beg leave to submit the following report:

Value of sinking fund, Jan. 1, 1900...	\$69,000 00	
Interest collected to May 1, 1900	4,140 00	
Appropriation for 1900	1,360 00	
	<hr/>	\$74,500 00
Invested in Town of Saugus notes ..		74,500 00
Value of sinking fund, Jan. 1, 1901,		
Town of Saugus notes	\$74,500 00	
Interest accrued not collected to Jan.		
1, 1901	2,980 00	
	<hr/>	\$77,480 00

No appropriation will be required for the year 1901.

HERBERT B. NEWHALL,
SAMUEL HAWKES,
H. O. PRATT,
Sinking Fund Commissioners.

Report of Chief of Fire Department.

As Chief of the Fire Department, it becomes my duty to make a report of the standing of the department and what we have done for the past year. This report will contain the number of alarms by bell, still and false, and as near as possible the amount of damage where buildings have been damaged. It is impossible to place an estimate on the damage that woods fires have done, but owing to the dry summer the fires burned down so deep that it done a great deal of damage by killing the trees both large and small.

Recommendations.

We would recommend that the Selectmen instruct the Revere Water Board to place hydrants on Vine street, also on Main street above the Methodist church. We would also recommend that the hose now at Lynnhurst be taken away and a box put there in place of it, as the hose is useless as it is now; also that the box at the junction of Central and Winter streets be placed nearer the centre of the Town and a new one placed on the corner of Central and Denver streets. We have asked for the location of another hydrant in Cliftdale square.

We wish to thank the members of the several companies for their prompt and efficient manner in responding to all calls, which makes us feel that we have as good a department as any Town in the State of its size. We also wish to thank Mr. J. F. Pratt for his efficient service as electrician.

Respectfully submitted,

C. A. BLAKELEY, Chief.

H. F. FISKE, First Asst.

C. I. HITCHINGS, Second Asst.

RECORD OF ALARMS FOR THE YEAR 1900.

Total number of bell alarms	16
Total number of false alarms	2
Total number of still alarms	22
Total number of second alarms	3
Total miles run by all apparatus	57
Total feet of hose laid	3,400
Total feet of ladders used	263

March 14. Box 31, woods fire, land of Cucci

April 2. Box 28, woods fire, rear of Franklin Park Hotel.

April 6. Box 25, woods fire, rear of Bryer's swamp.

April 6. Box 124, woods fire, west of Broadway.

April 7. Box 31, woods fire at Lynnhurst.

April 9. Box 13, barn belonging to J. Biffin; total loss; cause unknown.

April 11. Box 31, woods fire at Lynnhurst.

April 15. Box 24, schoolhouse at Cliftdale, owned by Town of Saugus; damage \$200; cause unknown.

April 19. Box 123, false alarm.

April 30. Box 31, woods fire, East Saugus.

May 1. Box 25, woods fire, east of Central street.

May 5. Still alarm, woods fire, Central street, opp. C. King's.

May 25. Still alarm, woods fire, east of Broadway.

Report of Board of Health.

The Board of Health respectfully submits its annual report for the year 1900.

The Board was organized as follows: George W. Gale, M. D., Chairman; William F. Belcher, Secretary; Benjamin F. Robinson, Health Officer.

Regular meetings of the Board are held at the Town Hall on the first Monday of each month at 8 o'clock P. M.

We would still urge upon the citizens of the Town the necessity for the better construction of cesspools and especially the necessity of putting in a manhole large enough to admit of the passage of a man's body for the purpose of cleaning the same properly.

In regard to the collection of ashes, swill and garbage, we would report that according to the vote made at the March meeting the same has been attended to; since May 1st, there has been a collection made in the three villages once each week, and many of the citizens have taken advantage of the same and are much pleased with the crude system now in vogue. To do this work in a proper manner, the swill should be collected twice each week and a cart made for this special purpose obtained and no other vehicle allowed to collect swill in any other way. Once each week at the present time will suffice to collect ashes and garbage.

Quite a number of families during the past year have had their yards cleaned out and put in a sanitary condition and now have all rubbish carted away at the weekly visit of the ash cart. There are yet many families who still make a dump of their back yard, and we hope they will avail themselves of the opportunity offered to have the same carted away, and help to make all yards clean and wholesome.

There have been a large number of complaints made during

the year and all have been attended to and all nuisances abated without recourse to the law courts.

We have been exempt from any epidemic of fever or other contagious diseases and think that with increased sanitary measures we will escape to a great extent in the future.

We have to report the following cases of contagious diseases: Diphtheria, 11; scarlet fever, 6; of which none were fatal.

Cesspools, Privies and Vaults.

Rule 22. No person shall build, or cause to be built, any privy, vault or cesspool, unless the same is constructed in a thorough and substantial manner, lined with stone, brick, or other suitable material of sufficient thickness and strength to prevent the walls from falling in, and located so that the inside of the same shall be at least three feet distant from the line of any adjoining lot or street. Every cesspool shall be of sufficient size to contain at least eighty cubic feet, measured below two feet beneath the surface of the ground, and, when not water tight, shall be at least twenty feet from the outside of the cellar wall of any tenement or dwelling, and thirty feet distant from any well, spring, or any other source of water supply used for culinary or domestic purposes. In no case shall the drainage from a privy, vault, cesspool or sink, or foul drainage from any domestic source, be permitted to enter any stream, brook, run, or pond within the limits of the Town.

Rule 23. All privies and vaults shall be cleaned at least once a year. Any privy or vault not cleaned within that time shall be declared a nuisance.

Cleanliness of House and Premises.

Public Statutes, Chapter 80, Section 24, provides:

"The Board, when satisfied, upon due examination, that a cellar, room, tenement or building in its Town, occupied as a dwelling-house, has become, by reason of the inhabitants' want of cleanliness, or other cause, unfit for such purpose, and

a cause of nuisance or sickness to the inhabitants or the public, may issue a notice in writing to such occupants, or any of them, requiring the premises to be put in a proper condition as to cleanliness; or, if they see fit, requiring the occupants to quit the premises within such time as the Board may deem reasonable. If the persons so notified, or any of them, neglect or refuse to comply with the terms of the notice, the Board may cause the premises to be properly cleansed at the expense of the owners, or may remove the occupants forcibly, and close up the premises, and the same shall not be again occupied as a dwelling-place, without the consent in writing of the Board. If the owner thereafter occupies, or knowingly permits the same to be occupied, without such permission in writing, he shall forfeit not less than ten dollars (\$10.00), nor more than fifty dollars (\$50.00)."

In considering the number of occupants, in accordance with the foregoing section, this Board will consider a sleeping-room to be over-crowded unless there should be at least three hundred (300) cubic feet of air space for each inhabitant occupying the same.

Rule 24. No person shall remove or carry in or through any of the streets, squares, courts, lanes, avenues, places, or alleys within the Town, stinking or offensive matter, or any house dirt or house offal, either animal or vegetable, or any grease, bones, or any refuse substance from any of the dwelling-houses or other places in the Town, unless such person so removing or carrying the same, and the mode in which the same may be removed or carried, shall be expressly licensed by the Board of Health, upon such terms and conditions as it may deem the health and interest of the Town may require.

Rule 25. No person, without a license from the Board of Health, shall throw into or leave in or upon any street, court, square, lane, alley, public square, public enclosure, vacant lot, or any pond or body of water, within the limits of the Town, any dead animal, dirt, sawdust, soot, ashes, cinders, shavings, hair, manure, oyster, clam or lobster shells, waste water, rubbish or filth or any kind, or any refuse animal or vegetable matter whatsoever; nor shall any person throw into or leave

in or upon the flats or tide water within the jurisdiction of the Town, any dead animal or other foul or offensive matter.

Rule 26. No person shall bury the contents of any vault or cesspool on premises occupied by him or his tenants, or allow any filth or bad-smelling water to be run out upon, or be thrown upon the surface of the ground of such premises.

Rule 27. Kitchen and waste sinks must be safely and securely connected with cesspool or well-covered drain, and must not be permitted to discharge by spouts, or otherwise, upon the side of the house or upon the surface of the ground.

Rule 28. No person shall keep any fowl or animal in any place in the Town where the Board of Health may deem such keeping detrimental to the health or comfort of the residents of the neighborhood, or to those who may pass thereby; and said Board shall have the power to remove or cause to be removed therefrom any such fowl or animal so kept.

Rule 29. No swine shall be kept within the limits of the Town, without a license first obtained therefor from the Board of Health, and then only in such place and manner as it shall direct.

Rule 30. Owners and occupants of livery and other stables within the Town shall not wash or clean their carriages or horses, or cause them to be washed or cleaned in the streets or public ways. They shall keep their stables and yards clean, and not allow large quantities of manure to accumulate in or near the same at any one time between the first day of May and the first day of November, and no manure shall be allowed to accumulate or remain uncovered outside of a stable building.

We would respectfully ask that an appropriation be made for the collection of ashes, swill and garbage at least once a week in each section of the Town. Citizens, please give this your serious consideration and see to it that we have an appropriation at our next Town Meeting.

GEORGE W. GALE, M. D., Chairman.

WILLIAM F. BELCHER, Secretary.

BENJ. F. ROBINSON, Health Officer.

Free Public Library.

Trustees' Report.

Every year demonstrates more clearly the great value and use to our citizens of our Library. Every year the circulation of books increases and the interest and pleasure which the Library gives to all, it is hard to estimate.

Our Library has been very fortunate the past year in many gifts, in all about one hundred books having been received, besides the usual number of magazines, a great many odd numbers of magazines have also been sent in, which are a great help to us. The following persons have given us books, and your Trustees would thank them heartily for so doing:—

Thos. P. Nichols and N. M. Hawkes of Lynn.

H. Underwood and Henry Wood of Boston.

Mrs. James R. Hughes.

Mrs. Hortense T. Davis.

Mrs. J. C. Labaree.

Mrs. Munroe.

Mrs. Twiss.

Miss Bertha M. Snow, Miss E. E. Newhall.

Atlantic Club of East Saugus.

The following have given us magazines:—

Mrs. K. C. Cheever, Mrs. W. W. Hawkes.

Miss Thayer, Miss Nourse, Miss Newhall.

Mrs. Florence Newhall of Boston.

Also copies of Saugus Republican, from Norman F. Somes of Cliftondale. Books have also been received from the American Union League of New York, from the city of Malden, from G. A. R. Post and Geo. S. Ellis, besides the usual publi-

cations from our Senator, Congressman and State Representatives.

The Art exhibitions still continue to give satisfaction and pleasure to those who visit them. These exhibitions are intended to be instructive as well as pleasing, and they have been so successful in the past that during the coming year they will be continued, and we propose to have short talks on interesting subjects given at the various exhibitions. We cannot tell you too strongly what a growing interest there is in the Library and how it is being used more and more as the years pass. Our quarters are very cramped; in fact, there are times when it is hard to conduct the routine work properly in our small space, but we try to serve all as quickly and well as possible, and do feel that the increased service we have given the patrons of the Library during the last year has been appreciated. Although the Library has been opened more hours per week than ever before, it will soon be necessary to even increase the hours of opening as the demand for books is so rapidly increasing; and it will not be long before it will be necessary, in fact, imperative, that the Library be opened another day of each week. You do not realize the demand there is for books, and as this demand increases, so does the expense.

Your Trustees have done their best with the money you have given them to work with, and will continue to so do, but the service which the Library can give our citizens is always limited by the appropriation given to the Trustees for its use. We cannot get along during the coming year with less than \$500 and the dog tax. We ought to have more than this, as we shall be obliged to have a supplementary catalogue which will draw largely on our funds, but this supplementary catalogue is an absolute necessity, and we must have it even if we are obliged to cut down the number of new books purchased.

Last, but not least, we have just received through Elbridge S. Upham, from the estate of his brother, Henry B. Upham, a beautiful gift of shells and sea curios, as well as a handsome quartered oak case to hold them. These shells and curios are very rare and beautiful and make a most valuable addition to

our gifts for the year. Henry B. Upham especially desired that they be given to the Library and that a case be procured for them and also presented. Altogether they make a very beautiful collection, and your Trustees feel sure that they will be appreciated by our citizens.

There is not much else your Trustees can say to you; they have done their best with the moneys you have allotted for the use of the Library. They have tried to serve all Library patrons quickly and to do the best with the present facilities, and we hope that the day is not far distant when we shall not only have more space for the regular Library work, but also proper accommodations for a Reading Room, which it seems to us is now absolutely essential for the work of the Library to be properly conducted.

Our Librarian has worked very hard the past year, doing everything possible to make the Library work run smoothly. The hours have been longer, and taking everything into consideration, your Trustees feel that our citizens are well satisfied with what has been accomplished.

B. F. CALLEY,
A. B. COATES,
MARION V. PUTNAM,
LEVI G. HAWKES,
JAMES R. HUGHES,
M. B. FAXON,

Trustees.

REPORT OF LIBRARIAN, YEAR ENDING DECEMBER 31, 1900.

Number of volumes in library, Jan. 1, 1900	5,231
Number of volumes added during the year	632
Number of volumes worn out	30
Number of volumes destroyed (contagious diseases)	3
Total number of volumes in library, Jan. 1, 1901	5,863
Number of volumes loaned during the year	18,452
Per cent. of fiction	78
Number of borrowers registered during the year	255
Total registration	1,329
Appropriation for purchase of books, and current expenses	\$894 35

Expended for books	\$458 86
Binding books and magazines	40 15
Salary of Librarian	180 00
Salaries of assistants	60 30
Cataloguing	9 20
Transportation of books	90 25

Chair	2 25

894 35

Received from fines	\$17 50
Expended for incidentals	17 50

Respectfully submitted,

EMMA E. NEWHALL,
Librarian.

Cattle and Milk Inspector.

Since Jan. 1, 1900, I have taken 342 samples of milk, nearly all of which were up to the standard, and none of which, in my opinion, had been tampered with.

I have inspected at the slaughter houses 56 animals, finding only one that was tuberculous, and that was disposed of by rendering.

In making the annual inspection of animals, which occurs in the fall, I examined 1,007 animals, one of which was affected with tuberculosis and was disposed of by burial.

Respectfully submitted,

A. M. SAWYER,
Inspector.

January, 1901.

Janitor's Report.

For the year ending Dec. 31, 1900:		
Received for rent of Town Hall		\$155 00
Paid for police service at Town Hall,	\$50 00	
Paid Treasurer	105 00	
<hr/>		
Total		\$155 00

JUSTIN E. MANSFIELD,

REPORT OF THE SCHOOL COMMITTEE.

To the Citizens of the Town:

The School Committee respectfully make the following report for the year 1900.

The Public School is one of the bulwarks of our national life and prosperity, and it should be our aim to make it the best possible.

As the attainment of this object depends largely on the efficiency of the teacher great care should be exercised in the selection of those to whom is entrusted the instruction of our youth.

Although the best of text books and appliances may be furnished, and the Superintendent gives his advice and oversight, yet it is the teacher's individuality, and her ability to enthuse and control the pupils, which makes the school.

The moral training, development of character and formation of habits of industry, rest with the teacher alone. No better proof of this is needed than to see an unruly and difficult school transformed in a short time into a polite, amiable and enthusiastic one.

We do not wish or desire to enter a schoolroom where a deathly silence prevails and the natural spirits of the children are subdued. We would much prefer to hear the buzz and hum of industry which is always noticeable where there is enthusiastic work. Disorder will not be likely to be found in a schoolroom where the enthusiasm of the pupils has been sufficiently aroused to awaken in them a love for their work and a desire to do their best. In such a school listlessness, indifference or dullness will not be found, but life, zeal and energy will prevail.

Advance is being made in our schools in many ways, still

there remain many chances for improvement. Much is being said and written as to the right methods, and systems of education, yet no educator of today would dare assert that his system, or theory alone, was the correct one. We are of the opinion that some of the methods at present employed are faulty and will be changed; yet it is only by testing and comparing them with the ones formerly used that their true value can be determined.

Frequent meetings of the teachers for discussion as to the best methods to be employed, the numerous opportunities to hear the opinions of the best instructors of today, and the many periodicals devoted to education which can easily be obtained are means of promoting the advancement of our schools.

Parents generally do not realize the amount of time an enthusiastic and painstaking teacher gives to school work outside of school hours. The correction of examination and question papers, preparing questions and lessons for the next day and the personal study of educational questions take up much time and is a constant drain on them both mentally and physically.

The sympathy and aid which parents could give the teacher is too often overlooked. Children are not alike in temperament or ability, and each child has its peculiarities which the teacher must understand to obtain the best results. If parents would more frequently consult with the teachers and superintendent it would be a great help to all.

The High School is doing excellent work. Much inconvenience is being felt from the lack of a suitable laboratory and the necessary equipment and a proper teaching of the sciences under the present conditions is almost impossible. As the room now used is not large enough and cannot be properly fitted up, and as there is no room in the Roby Building which can be used we would recommend that the lower room in the old Town Hall building be arranged and suitably equipped for a laboratory and that an appropriation for this purpose be made at the Annual Town Meeting.

We call your attention to the reports of the Superintendent, Principal of the High School and teachers of Music and Drawing which follow, and ask your careful perusal of them.

The large and constant growth in our schools call for larger expenditures and compel us each year to ask for larger appropriations. Each new school opened calls for a yearly expenditure of about \$500, and the increasing number of pupils for more books and supplies. There have been four new schools opened during the past year.

We estimate the expenses for the ensuing year as follows:

Teachers	\$15,500 00
Janitors	2,000 00
Supplies	1,800 00
Fuel	1,800 00
Incidentals	400 00
Deficiency	500 00
	<hr/>
	\$22,000 00

THOMAS P. PARSONS,
HENRY J. MILLS,
GEORGE M. AMERIGE.

REPORT OF THE SUPERINTENDENT.

To the School Committee:

Gentlemen,—The seventh annual report of the Superintendent of Schools is herewith presented.

When the history of the public schools of Saugus shall be written the year 1900 will not be especially marked. Nothing wonderful or revolutionary has transpired, yet much excellent work has been done. Undoubtedly failures may be discovered, and, in the light of the next century, perhaps serious mistakes or omissions may be laid to our charge, yet efficiency is in evidence and progress is being made. With but two exceptions the close of the year finds with us all the teachers who began the year here. Miss Mary C. Parker and Miss Mary L. Bryant presented their resignations which took effect before the beginning of the fall term. Two new school buildings were occupied in September for the first time,—one at Lynnhurst of a single room, and one at Cliftdale of six rooms. With the occupancy of the new building it became necessary to reorganize the schools at Cliftdale. This was effected in such a way that all the grades up to and including the seventh are found in each of the two larger buildings. Grades eight and nine are found only in the new building on Central street, each grade forming a separate school. After these two buildings, ten rooms in all, were thus arranged, it was found necessary to have another school, and one room in the old primary schoolhouse was opened. Thus three additional schools at Cliftdale and the one at Lynnhurst has made it necessary to add four teachers to the number required last year.

The following table will reveal the increase in our school membership year by year since 1895. It will be noticed that the increase in the year past has been about 10 per cent., and in four years the increase has been 30 per cent.

In considering our school membership another interesting fact should be mentioned. The Town of Saugus has 22 per cent. of its entire population in the public schools. I know of no other city or town with a school membership so large proportionately. If Stoneham had this percentage in school she would have 300 more pupils than now. If the city of Lynn were thus blessed she would be compelled to build several more large schoolhouses to accommodate all the children.

Average Membership.

	High School	Saugus Centre	Clifton- dale	East Saugus	All Schools
1896					
January	53	240	315	120	772
September	78	243	364	149	868

January	85	260	431	159	993
September	102	255	532	152	1120

Teachers' Meetings.

There have been frequent conferences by the teachers in regard to their work. These have been conducted much the same as in former years, and their beneficial results are often noticed. A series of meetings have been held by the teachers of High School and upper grammar grades (7, 8 and 9) in which they have considered together several phases of the

education of pupils above twelve years of age. Here are a few of the questions considered:

1. What are the aims of the grammar school; the High School? Is the course of study the chief concern? Is the goal a diploma? If not, what?

2. Ought the work of any year to be planned with reference to the next year, the previous year or both? Is the primary object to fit pupils for the next higher grade?

3. How much home study may be wisely asked? Do our pupils overwork?

4. Compare grammar schools and high schools as to (a) number of pupils to a teacher, (b) equipment, (c) methods of study and recitation, (d) teachers' point of view, and (e) annual cost for each pupil.

Another group of teachers were given several questions on reading and these are being considered in another series of meetings. Among the topics under discussion are these:

1. The value of concert reading; of prepared reading; of sight reading?

2. Do the pupils do careful and definite work in preparing their reading lesson?

3. What is a good order of procedure in the reading recitation?

4. Are pupils sometimes asked to read a paragraph a second time? Do they always know why?

5. Is there need of greater effort on the part of the teachers to secure pleasing enunciation and distinct articulation?

6. What are the essential elements of good oral reading?

7. Are we giving too much attention to reading and too little attention to reading well?

8. In order to succeed in the reading class, what special and general preparation by the teacher is necessary?

9. What may be done by the teacher to assist the pupil in his outside reading?

10. How may the opportunities afforded by the public library be more fully utilized?

School Reports.

The following report is sent to parents five times each year. It will be noticed that emphasis is placed upon promptness and regularity of attendance, proper behavior and faithful effort. It is believed that the essentials of success are thus clearly outlined and made prominent. Parents who wish for a report giving the teacher's estimate of attainments in each subject of study may have the same upon request at any time.

Parents are urged to visit the schools frequently and to keep informed in regard to the progress of their children.

SAUGUS PUBLIC SCHOOLS.

.....School.....190

By authority of the School Committee, the following report is sent to parents in October, December, February, March and May. Parents will please examine, sign and return. If additional or more specific information is desired, kindly confer with the teacher. No statement of the work accomplished in the different studies is given, but teachers are always ready to give this information to parents upon request.

As it is possible for every pupil to behave properly and to work faithfully, the only satisfactory mark in "Conduct" and "Effort" is A. Any failure in these directions is indicated by B, or when the failure is very marked by C.

Parents and friends are urged to visit school often.

School Attendance.

Allow me to call attention to the provisions of the public statutes in regard to school attendance.

Chap. 496, Sect. 12, Acts of 1898, provides:—"Every child between seven and fourteen years of age shall attend some public day school.....during the entire time the public schools are in session.....provided, that the Superintendent of Schools or teachers acting under authority of said Superintendent may excuse cases of necessary absence."

Section 31 of the same act provides that:—"Any person having under his control a child between seven and fourteen years of age who fails for five day sessions or ten half-day sessions within any period of six months while under such control, to cause a child to attend school as required by section twelve of this act, the physical and mental condition of such child not being such as to render his attendance at school harmful or impracticable, upon complaint by a truant officer and conviction thereof, shall forfeit and pay a fine of not more than twenty dollars."

In harmony with these provisions above quoted teachers are authorized to excuse cases of absence caused by,—

1. Illness or serious injury of the pupil.
2. Death in the family.
3. Contagious disease in the home.
4. Very stormy weather.

Cases of absence for other causes which teachers or parents may think necessary will be considered by the Superintendent. It will be observed that for absences not legally necessary the

law allows only five days in six months. In all cases of absence parents would confer a favor if they would send a note to the teacher stating the cause. Absences for unknown causes are classed as unnecessary.

Parents are urged to co-operate with teachers in their efforts to secure promptness and regularity of attendance of every pupil.

Home and School.

In thinking of the conditions and needs of our pupils and of the problems concerning their welfare, I am prompted to consider briefly certain phases of child training from the point of view of a parent rather than a school official.

Training in school is an important part of education, but only a part. Other influences are at work constantly, and the teacher needs to study them that she may more wisely shape the work of the schoolroom. Before all others in time and in power to influence are the lessons of the home. The child loves father, mother, brothers and sisters. He wishes to do as they do, to admire what they admire, and to be their constant companion.

Thus naturally and unconsciously many of the most valuable and enduring lessons of life have made their deep impress. But the place of the home in our system of education is less prominent than it has been. More than ever parents are absorbed in business matters, leaving to others the training and care of their children.

In New England when the closing century was ushered in it found the family at home. The children spent much of their time with their parents. There was a constant demand made upon them to help bear some of the home responsibilities and burdens. Profitable employment under direct parental oversight was a prominent and valuable part of early education. It gave to the country lad his strong, vigorous body; it gave him an opportunity to develop habits of industry and the power to observe and discriminate. Often it obliged him to face problems the solving of which put his ingenuity and skill

to the severest test. Almost daily it placed him under conditions which required alertness of body and mind.

But this kind of home education, the kind which has given us so many of the leading business and professional men of today, is fast passing. In the cities and larger towns parents are no longer engaged in occupations which the children may share, and so they are left to other associates and other influences. This change in the home life causes the omission of an essential part of education.

The relinquishment of home training seems to suggest the cause of the incompleteness in our present system of education. We are pleased when pupils are industrious and persistent in their school work, but we cannot confidently expect distinction in this respect if they lead idle and aimless lives outside of school. The powers of self control and self direction are desirable qualities, but these are not prominent traits of young people who have spent much of their time without proper guidance, restraint or activity. Wonder is sometimes expressed because pupils so rarely perform all their school work promptly, accurately and carefully, but wonder ceases when we realize that there are no assigned tasks at home and no profitable activity outside of the schoolroom.

These thoughts are not new. In the cities and larger towns parents have noted with alarm the changed conditions of youthful activity. They find themselves, to a large extent, helpless because they can no longer assign to the boys and girls the share of home duties and obligations as in former times. The condition is admitted by all. How to meet it and save the children from idleness and undesirable associates is the problem.

Undoubtedly the introduction of manual training and industrial education offers a partial solution of the difficulty. Emphatically, may we say with Froebel, "The domestic and scholastic education of our time leads children to indolence and laziness; a vast amount of human power remains undeveloped and is lost. It would be a most wholesome arrangement in schools to establish actual working hours similar to existing study hours; and it will surely come to this."

Hasten its coming. Hasten the day when all children may be profitably employed eight hours each day under wise direction. And may not less than one-third of this time be devoted to manual, industrial and agricultural occupations.

Suggestions.

In closing this report allow me to call your attention to several matters which deserve consideration. I will make the statements only and take no space for discussion.

1. I recommend that the Superintendent be instructed to nominate for teachers only such persons as have spent at least two years in teaching or in preparation for teaching in addition to a completed High School course of study.

2. I suggest that, in making up the estimate of expenses for the coming year, you bear in mind the fact that in schools recently opened there are no maps or globes, and that in the other schools the maps are old and badly worn.

3. The ventilation and the sanitarities at Essex street need improvement.

4. The supervisor of drawing is employed but one day each week. With the larger number of schools and more widely scattered buildings she should be engaged for two days a week the same as the music teacher.

5. We have on hand a copy of the Annual School Report for each year since 1864. If any of the citizens of the town have copies of the report for the year ending in March, 1862, 1859, 1857 or any year earlier which they are willing to donate, they will confer a great favor by sending them to any member of the School Committee. It is proposed to have them bound in a suitable manner and preserved permanently.

6. Attention is called to the great advantage to be gained by having the Superintendent's office connected with the different schoolhouses by private telephone. Such connection would be of advantage in giving prompt notice to the truant officer, and would place all schools in close touch with the

Superintendent. The cost would be small, if poles already set were used.

7. Our high school is in great need of better laboratory conveniences. The room now used is too small to accommodate the classes which are growing larger each year. There are no arrangements for doing laboratory work in Physics or Botany. I would suggest that you consider this matter at once and ask for the necessary appropriation. Perhaps there is no better way than to fit up the unoccupied room in the old school building in the rear of the Roby School. This is the only available room large enough for a laboratory, unless a room needed for other purposes is taken.

Appended to this report are the usual tables, also the reports of the High School Principal and the Supervisors of Drawing and of Music.

I am indebted to the School Committee for doing all in their power to make the year a pleasant one for me and a successful one for the schools.

Respectfully submitted,

C. E. STEVENS.

Music.

Mr. C. E. Stevens, Superintendent of Schools:

Dear Sir:—I have the honor to submit to you my annual report as Supervisor of Music.

In glancing back over the past year I see marked improvement in not a few of the schools.

It is natural to suppose that all teachers are not equally musical and that every teacher does not instruct in music equally well; but when the musical spirit has been aroused, leaders come to the front who supply the musical spirit the teacher lacks.

During the year we have kept closely in mind the improvement of tones—keeping the melodies high enough to avoid largely the chest notes of the child—singing scales from high note down to bring head notes as low as possible.

We strive to familiarize the pupils with the fundamental principles or elements of which music is composed—for it is a self-evident truth that to read music one must become familiar with these elements.

He should develop the spontaneous singing of songs as a means of expression and enjoyment; establish the relationship between song and technical forms; direct the attention and effort of the child to the mastery of technique, that he may be able to understand and sing musical thoughts.

The combining of grades seems to be a hindrance to the work of special teachers. It is difficult to plan work when the same book is to be used two succeeding years. To obviate this difficulty other books should be purchased, containing new material in exercises and songs.

Our work in the High School is most encouraging. Though we can boast of no musical wonders, yet never have all the various parts been better sustained nor the spirit of willingness and desire for success more prominent.

I wish to thank you and the School Committee for your assistance and cordial support; also the teachers for their very efficient work.

Respectfully submitted,

HELEN M. PAGE.

Drawing.

Mr. C. E. Stevens, Superintendent of Schools:

Dear Sir,—The aim and general plan of the work in drawing is similar to that of last year, which was explained quite fully in last year's report. There has been quite marked progress in the work, which is due largely to the teachers' more thorough knowledge of the subject.

The most noticeable improvement has been in the decorative work, which is far superior to that of any previous year. As was stated in the last report, we commenced studying designs in a new way, giving more attention to the principles,—rhythm, symmetry and harmony. The pupils have a good

understanding of these principles which they have applied very successfully.

Another point gained is the self dependence of the pupil. Instead of depending entirely upon the teacher, in most cases the pupils have learned to depend upon themselves, and to express their own thoughts upon the paper.

In the color work, we have been working under some difficulties, that is in giving out materials,—paints, brushes, dishes, etc.,—to each one. If we could have paint boxes this spring, a great deal of time and trouble would be saved. The cost in the end would be no greater.

Drawing in the High School is being carried on as before. I spend three mornings a month there. Mechanical drawing has been taken up during the past year with good results. I have a class in Perspective which is progressing remarkably, in view of the little time given to the work. If my time could be increased, I could spend more time in the lower schools which now are necessarily slighted. The cause of this lack of time is the increase of schools this year.

I wish to thank you for your kind and helpful interest in the work.

Respectfully submitted,

SADIE R. MELZARD,
Supervisor of Drawing.

High School.

Mr. C. E. Stevens, Superintendent of Schools:

Dear Sir,—I have the honor to submit to you my fifth annual report of the High School. The average membership for the past four months has been the largest in the history of the school.

The present membership by classes and the number of pupils in the different courses of study is as follows:

CLASS	1	2	3	4
Latin Course, 4 years.....	5	11	18	26
English Course, 3 or 4 years.....		7	15	17

There are sixty taking the four years' Latin course and thirty-nine in the three and four years' English course combined.

Enrollment for the year 103.
 Present membership 99.
 Average membership for the year 88.4

There were seventeen graduates and one post graduate in the class last June. From this number, six took college examinations, four of them being for Harvard. All were successful in passing the examinations, but only three have entered college.

This is the first class that ever prepared for Harvard in the Saugus High School. The citizens of Saugus may justly feel proud of the record of the students who have thus far entered college from our High School. Of the others in the class, seven are attending Business College and two are training for teachers. Few public schools can show a larger per cent. from a graduating class that have continued their education in higher institutions of learning.

The large number of students of the class of 1900 who have entered Business College emphasize what was said last year in regard to a good Business Course in our High School.

The graduating class for next June will be small (11) and several who are to graduate will return for at least another year. This, with the large entering class expected, will make the High School much larger next year than ever before.

The College Preparatory course is as well arranged as we can have it with our present number of teachers. Students

can now be prepared for college or scientific schools without spending one or two years elsewhere. It will soon be necessary to have better laboratory facilities. Our work in the sciences is handicapped by a lack of apparatus, and the facilities for using it. This is especially true of Physics, Chemistry and Botany. Each student should be given a chance to do individual work and thus gain practical knowledge by careful study and investigation by himself.

The study of German was introduced at the beginning of last term and a large number of students are availing themselves of the opportunity for studying this language.

There have been no radical changes during the past year. The gradual growth of the school and the better preparation of the pupils in the lower grades has made it possible to somewhat improve our course of study.

There has been no change of teachers during the year, and to this fact is due much of the success attained.

The pupils and teachers of the High School fully appreciate their pleasant schoolroom and all take pride in keeping the building and its furnishings in good condition. We cordially invite parents and friends to visit us and see the kind of work we are doing. It would be of mutual benefit if the parents would consult with the teachers at frequent intervals. We are always glad to answer any questions concerning the standing or conduct of the pupils.

In conclusion, I wish to thank the superintendent, school committee, teachers and citizens for their assistance and encouragement during the year.

Financial Report.

Report of money received and expended for the Saugus High School in 1900:

SUMMARY

For the Year Ending June 30, 1900.

Number of children in town, September, 1900, from five to fifteen years of age	1,054
Number of boys	513
Number of girls	541
Number between seven (7) and fourteen (14)	725
Whole number enrolled in all schools	1,123
Number of boys	544
Number of girls	579
Number under five (5)	2
Number over fifteen (15)	107
Number between seven (7) and fourteen (14)	739
Average membership	994
Average attendance	910
Per cent. of attendance	91.5
Number of pupils who have moved into town	106
Number of pupils who have moved out of town	93
Number of teachers employed, including specials	30
Increase during the year	0
Number of teachers withdrawn	2
Number of new teachers	2
Number of different schools	24
Increase during the year	0
Number of tardiness	1,468
Number of dismissals	507
Number of visits, not including those of Committee and Superintendent	1,409

For the Fall Term, 1900.

Average membership	1,110
Average attendance	1,055
Per cent. of attendance	95
Number of teachers, including specials	34
Number of different schools	28
Increase over previous term	4

GRADUATING EXERCISES

OF THE

Class of '00, Saugus High School,

Tuesday, June 26, 1900.

PROGRAM.

MINNIE ELIZABETH FISKE,
VERA STANHOPE LEWIS,
BLANCHE ELIZABETH PIERCE,
ELIZABETH VÉRONICA RAFFERTY,
JAMES ARCHER RUSSELL,
ELIZABETH BARNES SAWYER,
MILDRED THISSELL,
GEORGIA LILLIAN WHITTREDGE.

BOND PRIZE RECITATIONS.

Thursday Evening, June 28, 1900, 7.45 O'clock.

PROGRAM.

- PIANO SOLO—
MISS LOTTIE McKAY.
- “The Rescue,” *W. H. Meredith*
FRED B. MACKENZIE.
- “The King’s Pardon,” *Maud Goodwin*
* HATTIE G. HOLBROOK.
- “The Heart of Old Hickory,” *Will Allen Dromgoole*
BESSIE LEES.
- “The Boat Race,” *Oliver Wendell Holmes*
CARRIE M. READ.
- SOLO—
MISS McKAY.
- “The Deacon’s Race,” *W. H. H. Murray*
RUFUS FISKE.
- “How Dot Heard the Messiah,” *H. Butterworth*
M. BERNICE NOURSE.
- “Captain January,” *Laura E. Richards*
FLORENCE E. BEEDE.
- “When Ignorance is Bliss,” *H. Fielding*
EARL LYONS.
- SOLO—
MISS McKAY.
- “Ursus and the Anrochs,” *Henryk Sienkiewicz*
WALDO B. RUSSELL.
- “Bobby Shaftoe,” *Homer Greene*
MILDRED SMITH.
- “The Day of Judgment,” *Elizabeth S. Phelps*
JOSEPHINE COLES.

“ The Street Musicians,” *Geo. L. Catl*

* MILDRED THISELL.

* EXCUSED BECAUSE OF ILLNESS.

AWARD OF PRIZES.

First Prize was awarded to M. Bernice Nourse.

Second prize to Mildred Smith.

Third prize to Carrie M. Read.

Bond prizes for “improvement” were awarded as follows: two upper classes, Edith Cone; two lower classes, Arthur Clark.

SCHOOL LEGISLATION.

The following are provisions of the law of the State in regard to the employment of children, attendance and truancy.

No child under fourteen years of age shall be employed in a factory, workshop or mercantile establishment, nor in any other way for wages while the schools are in session.

No child under sixteen years of age shall be employed in any factory, workshop or mercantile establishment unless the employer:

1. Procures and keeps on file, and accessible to truant officers, the district police and inspectors of factories, age and schooling certificates for all such children employed.

2. Keeps two complete lists of all such children employed, one on file and one conspicuously posted near the principal entrance of the building where such children are employed. In all cases an employment ticket, duly made out and signed is required before an age certificate can be granted. (Blanks may be obtained of the Superintendent.)

Compulsory attendance of all pupils between the ages of seven and fourteen years is now required for the entire school year, instead of thirty weeks as formerly.

These three classes of children may be sent to the truant school or elsewhere:

1. Habitual truants—Children between seven and fourteen years of age, who are habitually absent from school.

2. Habitual absentees—Children from seven to sixteen years of age who may be found on the streets, not attending school, having no lawful occupation, and growing up in idleness and ignorance.

3. Habitual school offenders—Children under fourteen who persistently violate the reasonable regulations of the school, or otherwise misbehave so as to render themselves fit subjects for exclusion therefrom.

Any person having under his control a child between seven

and fourteen years of age, who fails for five days, or ten half days, within any period of six months, to cause such child to attend school, shall forfeit and pay a fine.

Any person who induces a child to absent himself unlawfully from school, or who employs or harbors a child unlawfully absent shall be fined.

[Acts of 1898, Chap. 496, Sect. 11.]

No child who has not been duly vaccinated shall be admitted to a public school except upon presentation of a certificate signed by a regular practicing physician that such child is an unfit subject for vaccination. No child who is a member of a household in which a person is sick with small-pox, diphtheria, scarlet fever or measles, or of a household exposed to contagion from a household as aforesaid, shall attend any public school during such sickness, or until the teacher of the school has been furnished with a certificate from the board of health of the town or city, or from the attending physician of such sick person, stating in a case of small-pox, diphtheria or scarlet fever, that a period of at least two weeks, and in a case of measles a period of at least three days, has elapsed since the recovery, removal or death of such person, and that danger of the conveying of such disease by such child has passed.
